#### CEMENT PLANT

Will be In Operation by the End of the Year.

Inman Bros. have commenced the operation of their new cement factory at the Old Forge. A member of the firm told a reporter for the DEMwho held up the Wisconsin Central's through Chicago train within eight OCRAT Wednesday that 5,000 white duck cement bags had recently been mites of Wanpaca, Wis., on the night of Sept. 19, 1895, and blew up the exordered, and that a number of paper bags will also be used. eral futile attempts to blow open the safe, are said to have been captured.

The firm expects to have the factory in full operation by the end of the year, when about 25 men will be employed.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to corre with local treatment, pronounced it incurable. Science has proven entarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohlo, is the only constitutional cure on the market. It is taken internaity in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it falls to cure. Send for circulars and testimonials. Address t fails to cure. Send for circums and limonials. Address

A MURDERER WANTED.

This Government Ignorant as to Whether Japan Released Him. Washington, July 27 .- The state de-

partment would be pleased to know what has become of a murderer named Kelley, who was held in a Japanese jail under sentence of seven years' imprisonment from the consular court at ie, Nerves, Stomach, Liver Yokohama. Before the new Japanese 1 in 50s. and 25s. packages treaty went into effect, the state de partment desired to bring him to this country to serve out his sentence and the only manner in which this could be legally accomplished was to secure a request from the prisoner that his sen tence be commuted. Kelley was com municated with, but was not heard from directly. Meanwhile the Japanese government notified the state department that it proposed to release all foreigners, sentenced by consular courts, on July 16, the day the old treaty ex pired. The state department remon Notice came that Kelley had made

application for a commutation before the letter of the attorney general relative to his case had reached Japan. The state department is ignorant as to whether Japan released him.
